Fun Fact

ABOUT CORONATIONS ...

A coronation is a ceremony for, successively, the monarchs of England and Scotland, Great Britain and the United Kingdom can be traced back **more than 1,000 years**. Formerly, it was often a necessary stage on an individual's journey to becoming king or queen.

The Coronation was a truly spectacular day and a fabulous memory to treasure. Although the weather wasn't great, it didn't dampen the spirits of all of us watching (*whether physically or on TV*) this historical coronation. Take a look at the lovely photo's in celebration of the Coronation below. King Charles released this statement

As the Coronation weekend draws to a close, my wife and I just wanted to share our most sincere and heartfelt thanks to all those who have helped to make this such a special occasion.

We pay particular tribute to the countless people who have given their time and dedication to ensuring that the celebrations in London, Windsor and further afield were as happy, safe and enjoyable as possible.

To those who joined in the celebrations - whether at home, at street parties and lunches, or by volunteering in communities - we thank you, each and every one.

To know that we have your support and encouragement, and to witness your kindness expressed in so many different ways, has been the greatest possible Coronation gift, as we now rededicate our lives to serving the people of the United Kingdom, the Realms and Commonwealth.
